FPU INTERNATIONAL CONFERENCE

INTRODUCTION

With the theme **“How Education in Malaysia and Singapore Successfully Empowers Youth for a Better Future,”** this program presents spaces for dialogue and insights directly from educational institutions and practitioners in Malaysia and Singapore, as well as collaboration opportunities for students to understand, explore, and take an active role in shaping a better future generation through international educational perspectives (FGD).

3 GOALS OF FPU INTERNATIONAL CONFERENCE

IQ

To enhance participants' intellectual capacity through expert-led conferences. Participants will develop skills in academic writing, critical reading, and presenting ideas and works in alignment with the educational values and mission of the program.

EQ

To strengthen participants' emotional intelligence by fostering empathy, mutual respect, and awareness of fundamental issues in their home countries, enabling them to demonstrate strong ethics, positive attitudes, and character.

SQ

To inspire participants to become visionary and impactful youth in the future. This program is expected to clarify participants' life goals while nurturing values of integrity, goodness, and social contribution.
